Regarding By-Elections to the Student Parliament
(Translation)

Dear Students,

We are pleased to inform you of the upcoming by-elections to the Student Parliament on 4-5 May 2026. The elections are your opportunity to have a say on who should represent the interests of GMU students.

All interested candidates are invited to register their candidacy by 08:00 on 4 May 2026 in room B-103 (between the hours of 07:15 and 15:15). To stand in the elections, candidates must complete the registration form available on the University website. The elections are open to all students, full- or part-time, from all faculties. We warmly encourage you to take part and get involved in creating our academic community.

Detailed information about the election schedule, voting procedures, and the list of candidates will be published gradually on the University's website and on the Student Parliament's social media channels.

We encourage you to keep an eye on further announcements. Student Parliament elections are more than just a vote – they are your chance, as members of the academic community, to shape the voice that speaks on your behalf and the direction it will take. Every vote helps build a stronger, more engaged student community, so make yours count. We warmly encourage you to take part!

Yours sincerely,

Adrian Plata

Chair of the University Election Committee
