

READING ROOM SECTORS

A. GENERAL BRANCH

A1 Maritime history. Maritime field

A2 Encyclopedias. Dictionaries

A3 Science studies. Science guidebooks

A4 Philosophy. Ethics. Logic

(here: ethics in business, ethics in finance)

B. SOCIAL STUDIES

B1 ORGANIZATION AND MANAGEMENT

B101 General research

B102 Strategic management of change and risk
(here: mergers, acquisition, lobbying)

B103 Project management

B104 knowledge and information management

B105 Quality and process management

B106 production and service management

B107 Human Resources (HR)

B108 Team management. Leadership

B109 Occupational safety and health (OSH). Labour law
(here: ergonomics, first aid)

B2 BUSINESS

B201 General research
(here: start-ups)

B202 Innovation. Intellectual property rights
(here: patents)

B203 Business plan. Funding sources
(here: EU funding programs, company finance)

B204 Electronic business

B205 Outsourcing
(here: service offshoring)

B206 Corporate social responsibility (CSR)

B3 MARKETING

B301 General research

B302 Customer. Sales

B303 Marketing research

B304 Marketing tools
(here: price, product, packaging, advertisement, promotion, distribution, marketing communication)

B305 Product market. Marketing departments
(here: market, service marketing, e-marketing)

B306 Marketing strategies. Public Relations
(here: marketing plans, brand image)

B4 ACCOUNTING

B401 General research

B402 Accounting and financial reporting
(here: financial analysis, tax accounting, tax law, cash flow)

B403 Management accounting. Cost control
(here: audit)

B5 FINANCE

B501 General research
(here: finance law)

B502 Corporate finance management
(here: business valuation)

B503 Financial market. Financial tools

B504 Insurance

B505 Stock market and investment fund

B506 Banking

B6 ECONOMICS

B601 General research. Workbooks

B602 Microeconomics. Workbooks

B603 Macroeconomics. Workbooks

B604 Econometrics. Statistics
(here: mathematical finance)

B605 managerial economics
(here: economic analysis)

B606 Business economics

B607 Economic security

B7 ECONOMY

B701 General research
(here: economic policy, public procurement)

B702 legal regulations
(here: economic law, trade law, administrative law, political systems, Constitution of Poland)

B703 International organizations. EU
(here: European Union)

B704 Economic cooperation and trading
(trade law, international cooperation, globalization)

B705 Maritime economy

B706 Employment policy. Job market
(here: unemployment)

B707 State safety

B8 PSYCHOLOGY. SOCIOLOGY

B801 General research of psychology

B802 General research of sociology

B803 Social communication. Negotiations
(here: business ethics, manipulation)

B804 Equal treatment

B805 Personal development
(here: personal and household finances)

C. MEDICINE AND HEALTH

C1 HEALTH AND NUTRITION

C101 Human health

C102 Biology

C103 Human nutrition

C104 Clinical nutrition and dietetics

C105 Psychodietetics

C106 Sports nutrition

C107 Groceries

C108 World cuisine. Recipes

C2 TOURISM AND RECREATION

C201 General research

C202 Tourism industry. Enterprise

C203 Marketing in tourism

C204 Types of tourism

C205 Touristic regions

C206 Hotel industry

C207 Gastronomy

D. TECHNICAL ENGINEERING

D1 COMMODITIES

D101 General research

D102 Food technology

D103 Security of supply

D104 Quality of supply

D105 Packaging science

D106 Storage

D2 TRANSPORT. FORWARDING TRADE. LOGISTIC

D201 General research

D202 Transport

D203 Branches of transport

D204 Intermodal transport

D205 Logistics

D206 Supply chains

D207 Transport and logistics system

D208 Infrastructure

D209 Cargo management

D210 Forwarding trade and transport services

D211 Transport safety

D212 Maritime infrastructure

D213 Maritime transport and inland waterway transport

D214 Lifesaving and maritime transport safety

D3 NAVIGATION. MARITIME LAW

D301 Essentials of navigation

D302 ALRS

D303 Technical navigation

D304 Celestial navigation

D305 Meteorology

D306 Navigation ship exploitation

D307 Sailing directions

D308 Sailing

D309 Covenants and marine law

D310 Conferences TransNav

D4 MECHANICS. MECHANICAL ENGINEERING

D401 General research. Workbooks

D402 Materials science

D403 Strength of materials

D404 Processing of materials

D405 Machine building

D406 Engines

D407 Shipbuilding

D408 Ship exploitation

D5 ENERGETICS

D501 General research

D502 Infrastructure

D503 Thermodynamics

D504 Cooling technology. Air conditioning

D505 Heating technology. Heating engineering

D506 Renewable energy sources

D507 Window power industry

D508 Photovoltaics

D6 ELEKTROTECHNICS. ELEKTRONICS

D601 General research

D602 Electrotechnics

D603 Ship electrical engineering

D604 Electrical wiring and installations

D605 Metrology

D606 Machines and devices

D607 Electronics

D608 Electrical engineering

D609 Power electronics

D610 Optoelectronics

D611 Electromagnetism

D612 Telecommunications

D613 Signals

D614 Radio communication

D7 INTERDYSCYPLINARY FIELD

D701 Automatics

D702 Maritime automatics

D703 Steerage

D704 Mechatronics. Robotics

D705 Nanotechnology

E SCIENCE

E1 COMPUTER SCIENCE

E101 General research

E102 Conventional programming

E103 Web and mobile technology

E104 Application software

E105 Network infrastructure

E106 Computer science safety

E107 Databases, Big data

E108 Artificial intelligence and Machine learning

E110 Computer science in logistics

E2 MATHEMATICS

E3 PHYSICS

E4 CHEMISTRY

E401 General chemistry

E402 Organic chemistry

E403 Non-organic chemistry

E404 Physics chemistry

E405 Analytical chemistry

E406 Chemical industry

E407 Cosmetology

E5 EARTH SCIENCE

E501 General research

E502 Oceanography. Hydrology

E6 ENVIRONMENT PROTECTION

E601 General research

E602 Protection of the marine environment

E603 Waste management
